

The Rally is a Cycling Celebration

For 48 years, cyclists of all ages and abilities have attended the Rally to experience some of the best cycling in California, in scenic Paso Robles. Unlike other cycling events, you will stay in one place and choose from a selection of 25 rides, varying in difficulty and distance. You can participate in day and evening activities while spending quality time with friends and family. If you can't get away for the entire weekend, the Rally hosts single day supported rides, *The Great Western 100 Century and Metric Century*, as well as the Women's only *Velo de Femme* ride.
